REQUEST FOR SUSPENSION

Pursuant to 37 CFR 1.103(a) and MPEP 709, Applicant respectfully requests suspension of prosecution of this application for six (6) months for the following good and sufficient cause:

1. This application is a member of the following family of related applications:

			RCE with IDS filed 1 Jan 2007; Notice of Allowance mailed 12 Jun 2007; RCE with IDS filed 31 Jul 2007; RCE with IDS filed 10 Sep 2007;
10/835,632	04/30/2004	1999-0587CON (1014-094)	Notice Of Allowance mailed 3 May 2007; RCE with IDS filed on 18 Jul 2007; Notice of Allowance mailed 10 Oct 2007; Issue Fee paid and filed 20 Nov 2007;
11/251,672	10/17/2005	1999-0587 CON-1 (1014-224)	Notice Of Allowance mailed 14 Jun 2007; RCE with IDS filed on 21 Aug 2007; Notice of Allowance mailed 11 Oct 2007; Issue Fee paid and filed 20 Nov 2007;

11/879,467	07/17/2007	1999-0587 CON2 (1014-311)	Application filed 17 Jul 2007; Official Filing Receipt mailed 6 Aug 2007; IDS filed 31 Aug 2007.

2. As shown above, the USPTO has issued (sometimes multiple) Notices of Allowance for each of applications 10/835,632, and 11/251,672 (the "Allowed Applications").
3. Due to the above-described citations of new potentially material prior art in the present and/or other related applications, and inherent administrative delays in processing the discovery of that art, Applicant has been required to file repeated Requests for Continuing Examination accompanied by Information Disclosure Statements to fulfill Applicant's duty of disclosure for the Allowed Applications, and thus, Applicant has been prevented from permitting the Allowed Applications to proceed promptly to issuance.
4. These difficulties and delays in permitting the Allowed Applications to proceed promptly to issuance potentially:
 - a. undermine and/or frustrate the USPTO's stated goal of compact prosecution;

Application 09/642,980
Attorney Docket 1999-0587 (1014-091)

- b. "cause unnecessary delay or needless increase in the cost of prosecution before the Office"; and/or
 - c. increase the probability of the USPTO issuing one or more invalid and/or unenforceable patents.
5. To prevent and/or minimize these potentialities, Applicant respectfully requests suspension for six (6) months of this application (and, via concurrently filed Suspension Requests, all the pending related applications except the Allowed Applications) to permit the Allowed Applications to safely issue, and plans to promptly request resumption of prosecution once each of the Allowed Applications has issued.

The Office is hereby authorized to charge any additional fees or credit any overpayments under 37 C.F.R. 1.16 or 1.17 to Deposit Account No. 50-2504. The Examiner is invited to contact the undersigned at 434-972-9988 to discuss any matter regarding this application.

Respectfully submitted,
